Tammy S. Senega

Assistant Commissioner for Patents  
Washington, DC 20231

RESPONSE TO THE EXAMINER'S OFFICE ACTION

In response to the Office Action dated August 27, 2001, designated as Paper No. 8 in the above-captioned application, please enter the following Remarks as follows:

Remarks

In view of the above amendments and the following remarks, favorable reconsideration of the outstanding office action is respectfully requested. Claims 1-28 remain in this application.

**1. The Final Rejection is Improper Under 706.07(a)**

As discussed below, the Examiner has rejected claims 1-28 under 35 U.S.C. § 112, first paragraph, for lack of adequate written description and lack of enablement. The Examiner asserts that "ingress gateways, and the manner in which they are used" lack adequate written description and are not enabled. **MPEP 706.07(a)** states that "Under present practice, second or any subsequent actions on the merits shall be final, except where the examiner introduces a new ground of rejection that is neither necessitated by the applicant's amendment of the claims, nor based on information submitted in an Information Disclosure
